

Transit Market Study

Passaic and Essex Counties are gathering feedback through **May 25** on a market analysis of transit options that could link Paterson, Clifton, Nutley, Belleville, and Newark.

Public Presentation

A presentation will be posted
Monday, May 11.

The public is encouraged to review
the presentation and provide
feedback by Monday, May 25.

To view the presentation, visit:

www.passaiccountynj.org/transitmarketstudy

The Paterson-Newark Transit Market Study is the first phase in determining the potential for improving transit service between Paterson and Newark. The goal of the study is to assess the need for transit service and identify possible routes.

Learn about the study and share your input!
